REALife Application

This section is designed to be used during the week to focus on the biblical truth in this message. Some of our REALife Groups may be using these questions this week for further study, reflection, and application.

1. How was your relationship with your father? What are some of your favorite memories of time spent with him? What important lessons of life did you learn from him?
2. If you are a father now, what are you doing to cultivate your relationship with your children? How are you passing on life's important lessons to them?
3. What steps do you need to take to further prepare yourself to be an effective trainer for the next generation?
4. Spend time in prayer reflecting on the awesome mighty deeds of God, and how you can personally be a part of commending the works of God to the next generation.

Memory Verse:

*"One generation will commend your works to another;
they will tell of your mighty acts." Psalm 145:4 NIV*
