

***The Launch** Acts 13-14

All are on *Location*-some stay, some go.

Be assured, the Spirit is on *Location* with you.

Look for open doors in each *Location*.

Expect opposition when on *Location*.

Create centers of community in each *Location*.

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Where are you on *location*? Do you sense that God's spirit has called you there? How do you see the Spirit working there?
2. Do you see the people where you are on location as lost and needing to be found? Read Luke 15:1-10. Spend some time asking God to give you His heart for people. Consider spending a day this week fasting over the lost.
3. How would you distinguish those who face opposition because of the Gospel and those who face opposition because they tend to be obnoxious? Try to give a description of each.
4. How does your center of community (Church, Real Life Group, Discipleship Group, etc.) keep you growing and tuned in to the motion of the Spirit? What could you do to strengthen this community? See Hebrews 10:24-25
